PARKING PERMIT FACT SHEET

Please ensure you have read the fact sheet before completing your submission
This form applies to all **new and renewal permit applications**

4. TYPES OF RESIDENTIAL PARKING PERMITS

Permits may be provided to residents of the City in order to exempt them from parking controls which apply directly adjacent to their property. The permits can only be used for the street designated. It **does not guarantee a parking space** in the street for which the permit has been issued

Fixed Permit

Fixed permit is a parking permit that is linked specifically to a vehicle and its registration number. This permit is not allowed to be used for any other vehicle/s

Transferable Permit

Transferable permit is a parking permit that is transferable between vehicles

Only transferable permits can be used on different vehicles. Other permits are vehicle specific. These permits shall only apply within the parking zones defined by the Council and in the manner specified by the Council

Type A – Resident Only Parking Exemption Permit

A "Resident Only Parking Exemption" is a permit issued to a resident which allows the vehicle specified on the permit to park in the Resident Only Permit Zone, or overstay the time limit zones in the street to which the permit applies

Type B – Time Limit Parking Exemption Permits

A "Time Limit Parking Exemption" is a permit issued to a resident which will allow a specified motor vehicle to overstay time limits in time restricted parking areas indicated by parking control signs

Time Limit Parking Exemption Permits can only be used in time limit zones in a street indicated on the permit. They are not permitted to be used in Resident Parking Only Permit Zones

Type C – Temporary Parking Permits

A Temporary Parking Permit may be issued to an applicant who temporarily (or for a period of time determined appropriate by Council) exempts the holder of the permit to the time limit / residential parking controls in a street for which permit is issued. The permits will be issued at the sole discretion of the Council. The permits are generally issued to tradespeople who have a business reason/activity in the local street

Application forms for Residential Parking Permits are also available on the City of Unley website www.unley.sa.gov.au
