Replacement Trees

Pursuant to Section 42(4) of the *Development Act 1993*, if the Council grants approval for the removal of a Regulated Tree or Significant Tree, the Council is required to impose a condition requiring you to plant and maintain two (2) trees to replace every Regulated Tree and three (3) trees to replace every Significant Tree. Replacement trees cannot be planted within 10 metres of an existing dwelling or an existing in-ground swimming pool.

If there is no suitable location for you to plant replacement trees in accordance with the above criteria, or if you do not wish to plant replacement trees for whatever reason, the Council may allow you to pay money into its Urban Trees Fund at the rate of **\$89.50*** for each replacement tree that is not planted. Money paid into the Urban Trees Fund is used by the Council to either:

- (a) maintain or plant trees which are or will (when fully grown) constitute significant trees; or
- (b) to purchase land in order to maintain or plant trees which are or will (when fully grown) constitute significant trees.

Please indicate your preference:

| 2 trees for each Regulated Tree removal | | \$179.00* for Regulated Trees |
| 3 trees for each Significant Tree removal | | \$268.50* for Significant Tree removal |

If the Council grants consent to your Application to remove your tree(s), a condition will generally be imposed on your consent, in accordance with the preference stated above. Please note however, that in some instances, such as where the replacement of trees is important to the character and amenity of an area, the Council may not allow payment into the Urban Trees Fund in lieu of planting replacement trees.

If you have elected to plant replacement trees, the replacement trees shall have the capacity to grow to a minimum height of four (4) metres at maturity.

If you have elected to make a payment into the Urban Trees Fund, you will receive an invoice when the decision is made that will provide 30 days to make payment.

* a 66.6% discount applies to an owner and occupier of the land where the relevant tree is situated and who is the holder of a current 'full Commonwealth pension' Pensioner Concession Card issued by the Commonwealth Government.
