

## friends of the unley libraries

So what are the Friends of the Unley Libraries (FoUL)? What do they do? And what benefits are available to its members?

The aims of FoUL:

- to provide community-based support for the Libraries
- to promote the Libraries throughout the community and promote community involvement
- to initiate and assist with Libraries' projects and events
- to provide community feedback to the Libraries.

And, of course, to meet new people and have some fun.

Benefits to members are many:

- contribute to your library
- volunteer and experience opportunities
- enjoy member only offers and raffles, eg. free library bag, book voucher raffle
- member newsletter
- social events and chances to meet new people
- an opportunity to be active in your community and make a difference.

All members are welcome to attend the monthly meetings every third Wednesday of the month, 2.00pm in the Unley Civic Library.
