DISCUSSION

In May 2021, a Council briefing was held to discuss the management model in place at Goodwood Community Centre. At this session, Council indicated their interest in understanding the needs and interests of the Goodwood community in order to inform future decision-making in relation to the Centre.

DemocracyCo were engaged to undertake this engagement as an independent and impartial facilitator.

A survey was developed and made available online and in hard copy. Community members were also invited to participate in an interview to provide more in depth responses and information. Additionally, DemocracyCo facilitated a meeting with Goodwood Community Services Inc (GCS) to specifically gain their input.

Key Considerations

- The agreement in place for the management of Goodwood Community Centre is now due to expire and Council has the opportunity to reconsider the model in place.
- Council endorsed a lease extension for GCS to continue management of the Centre until 30 June 2022 at their 27 September 2021 meeting. A further report will be presented at the meeting 8 November 2021 to remove the early termination clause within this extension.
