## Overview

**The Community Event Sponsorship Program aims to assist individuals, community groups, organisations and not-for-profit groups to coordinate events that directly benefit the City of Unley community.**

The City of Unley is committed to ensuring that we are known for our vibrant community spirit, quality lifestyle choices, diversity, business strength and innovative leadership. Attraction and facilitation of community events are strategic objectives for the City of Unley with activated places and cultural and artistic diversity included within our Community Plan 2033 and our Four Year Plan. Council recognises that events create opportunity for community interaction, celebration and ensure our public spaces and mainstreets are alive and economically prosperous.

Applications for sponsorship will be considered for eligible festivals and events that can deliver against the program's assessment criteria. The City of Unley looks to support events that best align with the criteria and provide a return on investment by enhancing our annual events calendar, offer free or discounted, quality activities to the community and display a high level of excellence in administration and delivery.

Event organisers must apply under a three-tier structure for sponsorship, which allows for an equitable and balanced approach in considering applications against the assessment criteria. The tiers categorise events according to their size and scope and take into account the degree of community benefit and impact. Applications may be assigned a new category as part of the assessment process if the original category selected by the Applicant is not deemed the most appropriate. If Council endorses your application for funding, you are responsible for confirming all bookings and services required to hold your event.

Applicants will need to specify their preference for the length of the agreement (1, 2 or 3 years) which will be considered as part of the assessment process. Please note that Council reserves the right to offer a shorter term agreement than has been requested.
