

Commonwealth Home Support Program

Client Contribution Schedule – 1 July 2023 to 30 June 2024

The City of Unley Home Support Program Client Contribution Schedule applies to people receiving Commonwealth Home Support Programme services from the City of Unley. The schedule seeks contributions that are fair and affordable based on a tiered framework:

- Level 1: Aged Pensioners, Disability Pensioners or Self-Funded Retirees with a Commonwealth Seniors Health Card
- Level 2: Self-Funded Retirees with no Commonwealth Seniors Health Card

No one will be refused a service due to inability to pay because of financial hardship. For a confidential discussion and further information on our client contribution review process please ask to speak to the relevant Program Coordinator.

The service frequency, duration and service availability is dependent on the demand for services and the funding available. Not every request will be able to be approved. A current My Aged Care referral is required to access each service type. Please speak to a member of our team for further information or alternatively you can contact the My Aged Care contact centre on 1800 200 422 to arrange your own referral should you require one.
