

ELECTED MEMBERS' BRIEFING SESSION COVER SHEET

Date of Workshop:	5 September 2022
Subject:	Department for Infrastructure and Transport: Mike Turtur Bikeway Overpass Project
Department:	City Development
Presenter(s):	Department for Infrastructure and Transport PTP Alliance
Session:	Open to the public
Attachments:	Nil

PURPOSE

For the Department for Infrastructure and Transport (DIT) to provide an update to Elected Members regarding the Mike Turtur Bikeway Overpass (MTBO) Project, and the Community Reference Group meetings.

DISCUSSION

In response to community feedback regarding the project, the MTBO Project was placed on hold to enable further community consultation to be undertaken. A Community Reference Group (CRG) was formed as the primary consultation forum for this project stage.

The CRG has five (5) times, with its final meeting on 22 August 2022. Final input is being sought from CRG members to contribute to a report that is being prepared by the PTP Alliance. This report will summarise the CRG process and outcomes of the CRG process.

SPEAKERS

Representatives of the Department for Infrastructure and Transport and the Public Transport Projects Alliance.

THE BRIEFING IS OPEN TO THE PUBLIC
