PURPOSE

The purpose of this briefing is for the Department for Infrastructure and Transport (DIT) to provide an update to Elected Members regarding the status of the Mike Turtur Bikeway Overpass Project (Project), community feedback and its approach to undertaking further community consultation.

DISCUSSION

The Project is intended to improve connectivity along the Mike Turtur Bikeway for pedestrian and cyclists over the rail corridor and to improve access and accessibility to Goodwood Station.

In response to community feedback to date regarding the Project, DIT has placed the Project on hold to enable further community consultation to be undertaken.

A letter regarding the community consultation results for the Forestville Reserve Community Land Management Plan (CLMP) and the License for Construction Access, as well as a summary of key issues raised, has been sent to the Minister for Infrastructure and Transport, in accordance with Council Resolution No. C0754/22.

Key Considerations

- DIT has committed to undertaking further consultation regarding the Project through May and June 2022, including the establishment of a Community Reference Group (CRG).
- Our upcoming consultation aims to reset the Project with the community.
- The SCAP assessment is on hold until the end of the extended community consultation period.

- The outcomes of the community consultation will inform next steps for the SCAP application.
