| <b>Time Start (approx.):</b> | 6.30pm  |
| <b>Subject (1):</b>          | Walking and Cycling Project Updates                               |
| <b>Department:</b>           | City Development  |
| <b>Presenter(s):</b>         | Tanya Bacic, Transport Lead<br>Ben Willsmore, Manager City Design |
| <b>Session:</b>              | Open to the public.   |

### PURPOSE

This briefing provides an opportunity to workshop two key walking and cycling projects, Wood-Weller Bikeway (Stage 5) consultation outcomes, and Young Street Neighbourhood Bicycle Route (Stages 2, 3 and 4) concept design options study outcomes.

The feedback from Elected Members will assist the Administration to finalise the preferred concept designs, that will then be presented to Council for endorsement to proceed to the next project phase in 2024/25 (planned for June 2024).

| <b>Time Start (approx.):</b> | 7.30pm  |
| <b>Subject (2):</b>          | Speed Limit Review on Local/Major Collector Roads                 |
| <b>Department:</b>           | City Development  |
| <b>Presenter(s):</b>         | Tanya Bacic, Transport Lead<br>Ben Willsmore, Manager City Design |
| <b>Session:</b>              | Open to the public.   |

### PURPOSE

The briefing provides an opportunity to workshop the outcomes of the Speed Limit Review undertaken by the Administration, seeking a speed reduction from 50km/h to 40km/h on the City's local and major collector roads. The review was in response to a request of Council as part of the CEO's 2023/24 KPIs.

The feedback from Elected Members will assist the Administration to finalise the review and formalise the recommended next steps that will be presented to Council for consideration at the June 2024 Council meeting.
