Planting Palette

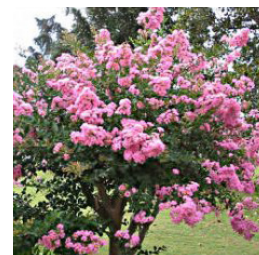

Agapanthus 'Baby Pete'

Nandina domestica 'Moonbay'

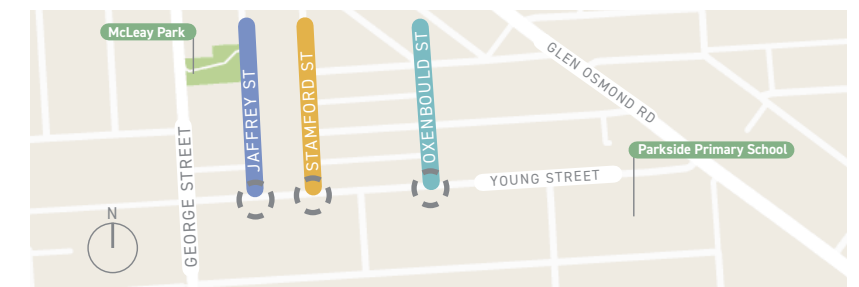

Lomandra Nyalla

Lagerstroemia Lipan 'Crepe Myrtle'

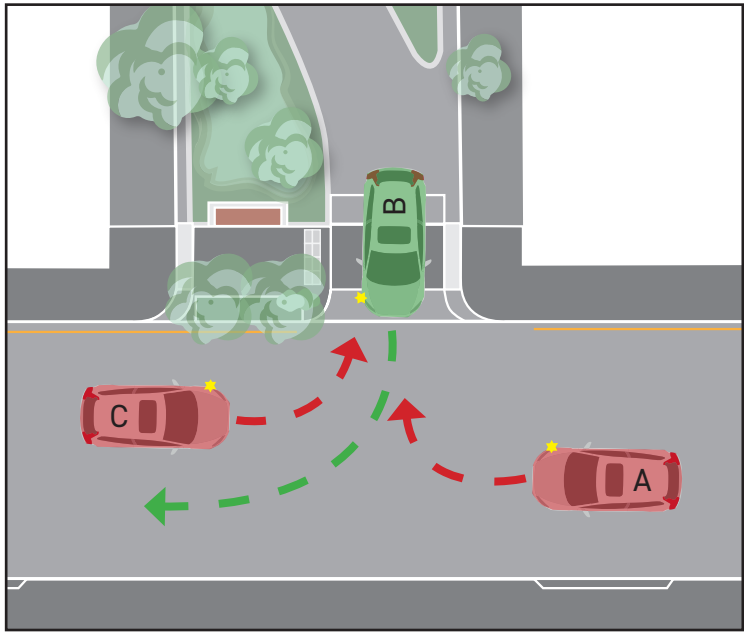

Tristaniopsis laurina

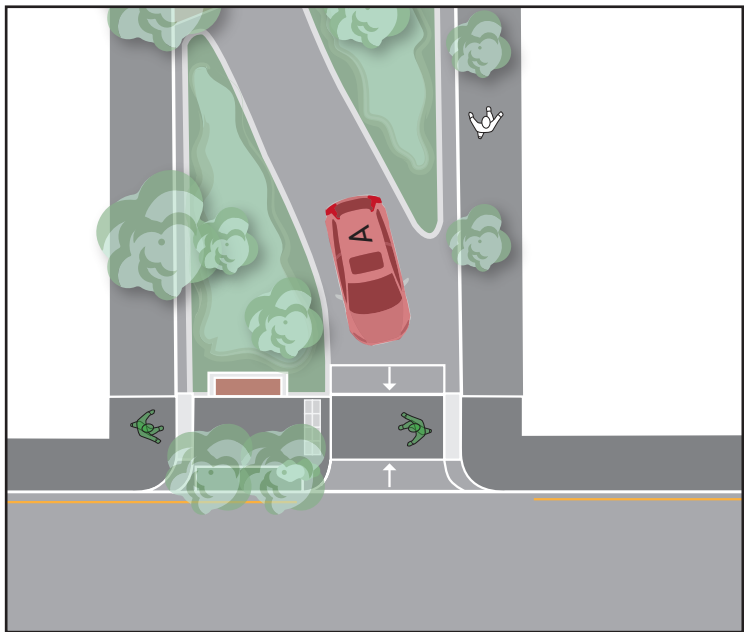

Typical Driver Scenarios

The Driveway Entry can only be negotiated by one vehicle at a time. Give way rules will vary from a regular T-junction and may cause some confusion, particularly for non-regular users, and requires patience. The diagrams below provide several typical situations you will experience. When in doubt, be courteous and give way to one another in an orderly fashion.

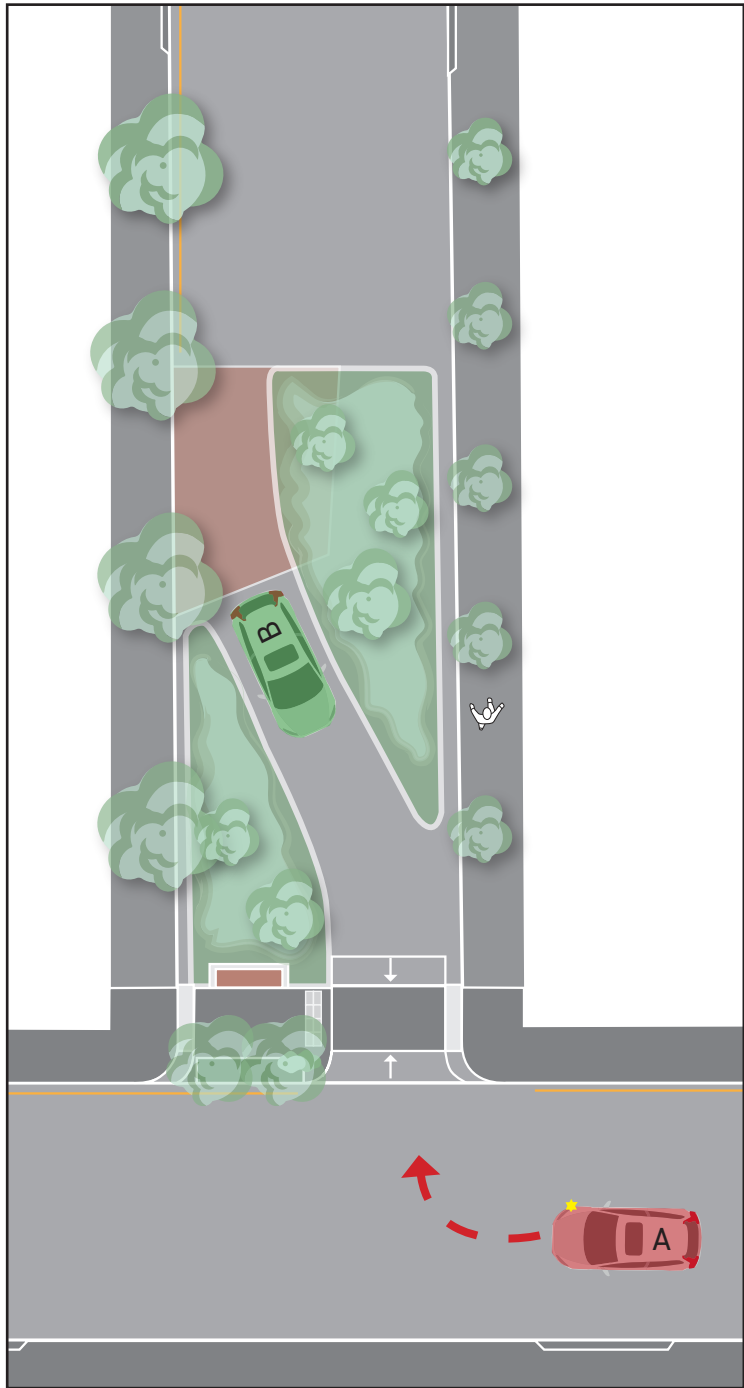

Refer to diagrams below for typical scenarios you may encounter.

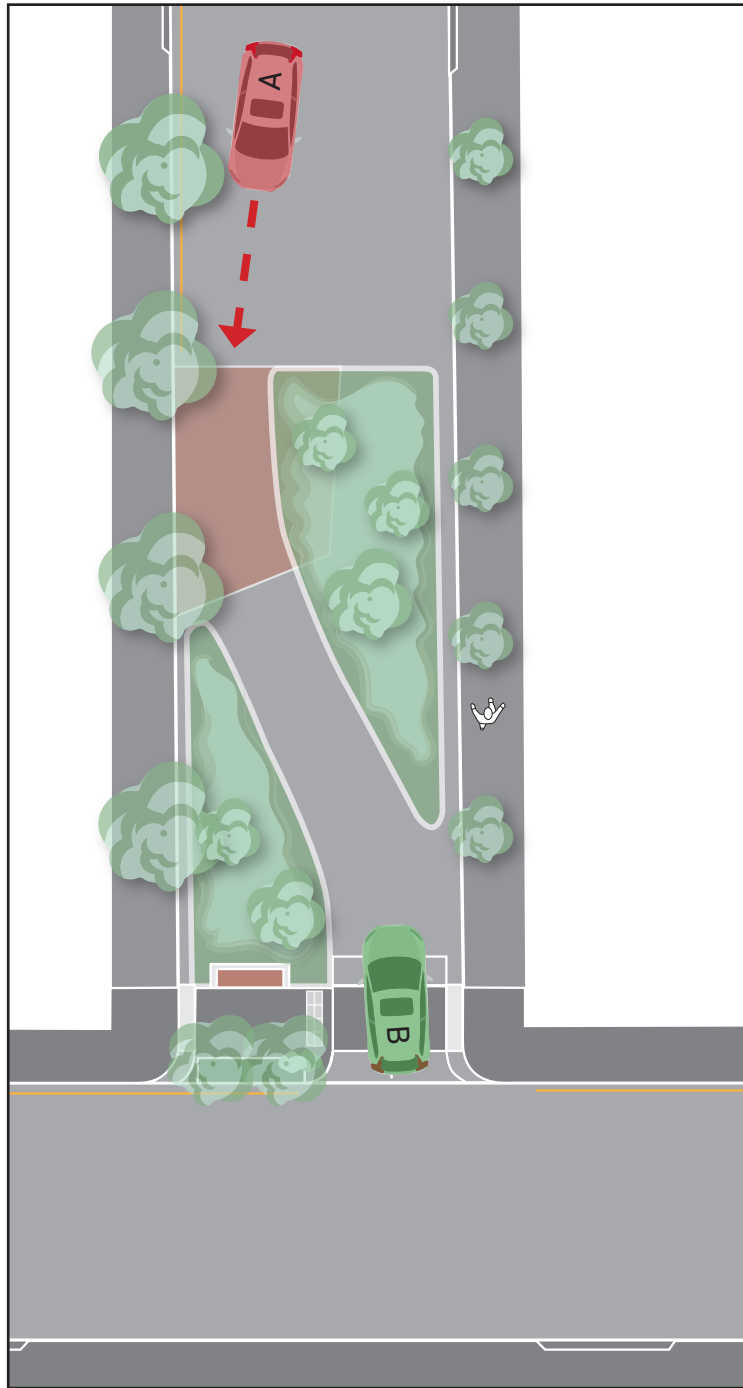

① Car A and C wait for car B to exit

② Car A gives way to pedestrians on the footpath.

③ Car A waits for car B to exit.

④ The vehicle within the 'Driveway Entry' has priority. In this case, car A waits for car B.
