

Dear Neighbour,

You may not be aware but your cat is currently causing a nuisance in the neighbourhood by:

fighting  yowling  defecating  spraying

I have discussed this problem with the City of Unley which has suggested, as a first step, that I express my concern to you, to allow you the opportunity to rectify the situation without recording an official complaint against you on Council's file.

Also included is some information that may be of assistance to you in resolving the problem. Your co-operation at this stage is all that is needed to avoid this matter progressing any further.

Your Neighbour

### Some simple tips for reducing a nuisance

- Cats, ideally should be kept indoors overnight. It will help reduce cat fight injuries and nuisances.
- To reduce neighbour disputes and any potential harm to your cat it is safer to confine your cat to your property.
- Preventing your cat from hunting wildlife and reducing the risk of your cat contracting diseases, fleas, lice, or worms from other animals.
- Desexing may reduce undesirable behaviours, such as spraying, marking, fighting and yowling.
