Permit Requirements

A permit is required for anyone seeking to keep more than two (2) dogs in a premise.

Approval Process

On receipt of an application Council's General Inspector may undertake an inspection of the premises to educate the applicant about responsible dog ownership and to determine the suitability of the premises to keep more than the prescribed number of dogs. Council may also make contact with adjoining neighbours to ascertain their position on the matter.

Variation to Permit

Where a permit holder or dog(s) move premises an application to vary the permit is required.

Non Approval

In the event the application is not approved, you have the right of review with the Registrar of Dogs.

Approval

Once approval is granted, payment will be required before permits can be issued. *(Council officer will be contact)*
