MOVED Councillor J. Gaffey

SECONDED Councillor M. Broniecki

That:

1. Pursuant to section 90(2) and (3)(d)(i) and (ii) of the *Local Government Act 1999*, the Council orders that the public be excluded from attendance at the part of the meeting relating to Agenda item 7.2, East Waste Recycling Contract – Commitment of Recycling Tonnes, except for the following persons:

 - Nicola Tinning, General Manager Business Support and Improvement
 - Kathryn Goldy, Acting Manager Governance
 - Lara Gregory, Executive Assistant to CEO and Mayor
 - Ed Scanlon, Manager Economic Development & Strategic Projects
 - Nicole Bilac, Principal Governance Officer

on the basis the Council considers it necessary and appropriate to act in a meeting closed to the public (excepting those persons listed above) in order to receive, discuss or consider in confidence the following information or matter relating to Item 7.2.

- commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected to prejudice the commercial position of the person who supplied the information, and/or to confer a commercial advantage on a third party.

being the commercial nature of the information including financial details and the resources of the supplier will be disclosed.

2. In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information. Accordingly, on this basis, the Council is satisfied that the principle that meetings of the Council should be conducted in a place open to the public has been outweighed because of the commercial nature of the information.

Resolution No. C0933/22

The Meeting moved into confidence at 8.37pm.

1. Pursuant to section 91(7) of the *Local Government Act 1999* the Council orders that the following document(s) relating to Agenda Item 7.2 East Waste Recycling Contract – Commitment of Recycling Tonnes, shall be kept confidential, being document(s) relating to a matter dealt with by the Council on a confidential basis under sections 90(2) and 90(3) (d)(i) and (ii) .

On the grounds that the document(s) or part relates to commercial information of a confidential nature (not being a trade secret) the disclosure of which could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party.

2. This order shall operate for a period of twelve (12) months and not be available for public inspection until the cessation of the period.
3. Pursuant to section 91(9)(c) of the *Local Government Act 1999*, the Council delegates to the Chief Executive Officer the power to revoke this order in whole or in part.

ITEM 7.4

CONFIDENTIALITY MOTION FOR 7.5 - POTENTIAL PROPERTY DISPOSAL - GOODWOOD

 - Nicola Tinning, General Manager Business Support and Improvement
 - Kathryn Goldy, Acting Manager Governance
 - Lara Gregory, Executive Assistant to CEO and Mayor
 - Nicole Bilac, Principal Governance Officer
 - Ed Scanlon, Manager Economic Development & Strategic Projects

on the basis the Council considers it necessary and appropriate to act in a meeting closed to the public (expecting those persons listed above) in order to receive, discuss or consider in confidence information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council is:

- proposing to conduct, business, or
- would prejudice the commercial position of the council

being the information to be considered in relation to this Agenda Item includes potential sale of land information.

2. In addition, the disclosure of this information would, on balance, be contrary to the public interest. The public interest in public access to the meeting has been balanced against the public interest in the continued non-disclosure of the information. The benefit to the public at large resulting from withholding the information outweighs the benefit to it of disclosure of the information.

Accordingly, on this basis, the Council is satisfied that the principle that meetings of the Council should be conducted in a place open to the public has been outweighed in the circumstances because the disclosure of Council's commercial position may severely prejudice Council's ability to be able to negotiate a cost-effective proposal for the benefit of the Council and the community in this matter and in relation to other contract negotiations.
