

ELECTED MEMBERS' BRIEFING SESSION

Date of Workshop:	Monday, 7 September 2026
Time Start (approx.):	6:30 PM
Subject (1):	Brown Hill Keswick Creek Stormwater Project - Forestville Reserve and Wilberforce Walk Projects Input
Department:	Office of the CEO
Presenter(s):	Peta Mantzarapis, Project Director, BHKC Stormwater Project Brett Shuttleworth, Program Manager, BHKC Stormwater Project
Session:	Open to the public.

PURPOSE

Creek capacity upgrades are required for the sections of Brown Hill Creek along Wilberforce Walk and within Forestville Reserve. The latest design plans for these two projects were provided to Council Administration for review and feedback in mid-May.

The Board's Project Director and Program Manager will provide a presentation outlining the proposed design for each project, construction timing and impacts, along with the engagement being undertaken with directly impacted residents and the local community. Council is now invited to consider the proposed designs and provide feedback on the preferred design options, including some elements for which alternative design solutions have been developed.

Time Start (approx.):	7:30 PM
Subject (2):	Walking & Cycling Plan 2022-2027 Review
Department:	City Infrastructure
Presenter(s):	Tanya Bacic, Transport Lead
Session:	Open to the public.

PURPOSE

To present to Elected Members the key elements of the review of the Walking & Cycling Plan 2022-2027 and outline the process.
